### About DJO Incorporated

DJO Incorporated is a global provider of solutions for musculoskeletal health, specializing in rehabilitation and regeneration products for the non-operative orthopedic, spine and vascular markets. Marketed under the Aircast®; DonJoy®; and ProCare®; brands, the Company's broad range of over 600 rehabilitation products, including rigid knee braces, soft goods and pain management products, are used in the prevention of injury, in the treatment of chronic conditions and for recovery after surgery or injury. The Company's regeneration products consist of bone growth stimulation devices that are used to treat nonunion fractures and as an adjunct therapy after spinal fusion surgery. The Company's vascular systems products help prevent deep vein thrombosis and pulmonary embolism that can occur after orthopedic and other surgeries. Together, these products provide solutions throughout the patient's continuum of care. The Company sells its products in the United States and in more than 50 other countries through networks of agents, distributors and its own direct sales force. Customers include orthopedic, podiatric and spine surgeons, orthotic and prosthetic centers, third-party distributors, hospitals, surgery centers, physical therapists, athletic trainers, other healthcare professionals and individual and team athletes.
