

dj Orthopedics to Present at the UBS Global Life Sciences Conference on September 27, 2005; Live Webcast Provided

SAN DIEGO--(BUSINESS WIRE)--Sept. 20, 2005--dj Orthopedics, Inc., (NYSE:DJO), a global medical device company specializing in rehabilitation and regeneration products for the non-operative orthopedic and spine markets, today announced that the Company has been invited to make a presentation to investors at the UBS Global Life Sciences Conference, held at the Grand Hyatt New York. The Company's presentation will focus on its strategy and position within its markets. Interested investors may listen to the presentation live via webcast beginning at 8:30 AM Eastern Time, on Tuesday, September 27, 2005, by visiting the UBS website at www.ibb.ubs.com and clicking on the "Conferences" box in the middle of the right side of the page, then follow the link for "Webcast" under the Global Life Sciences Conference heading. The webcast will be archived beginning three hours after the live event and continue until October 29, 2005.

About dj Orthopedics, Inc.

dj Orthopedics is a global medical device company specializing in rehabilitation and regeneration products for the non-operative orthopedic and spine markets. Marketed under the DonJoy and ProCare brands, the Company's broad range of over 600 rehabilitation products, including rigid knee braces, soft goods, pain management, are used in the prevention of injury, in the treatment of chronic conditions and for recovery after surgery or injury. The Company's regeneration products consist of bone growth stimulation devices that are used to treat nonunion fractures and as an adjunct therapy after spinal fusion surgery. Together, these products provide solutions throughout the patient's continuum of care. The Company sells its products in the United States and in more than 40 other countries through networks of agents, distributors and its direct sales force. Customers include orthopedic, podiatric and spine surgeons, orthotic and prosthetic centers, third-party distributors, hospitals, surgery centers, physical therapists, athletic trainers and other healthcare professionals.
