**About dj Orthopedics Inc.**

dj Orthopedics is a global orthopedic sports medicine company specializing in the design, manufacture and marketing of products and services that repair, regenerate and rehabilitate soft tissue and bone, help protect against injury, and treat osteoarthritis of the knee. Its broad range of more than 600 existing products, many of which are based on proprietary technologies, includes rigid knee braces, soft goods, specialty and other complementary orthopedic products and its recently introduced line of surgical products. These products provide solutions for patients and orthopedic sports medicine professionals throughout the patient's continuum of care.
