FOR IMMEDIATE RELEASE

DJO Global Completes Acquisition of Certain Assets from Zimmer and Biomet

DJO Global's surgical division closes deal to acquire Biomet Cobalt™ Bone Cement, Optivac® Cement Mixing Accessories, SoftPac™ Pouch and Discovery® Elbow System in the U.S.

SAN DIEGO, CA, June 30, 2015 – DJO Global, Inc. ("DJO" or the "Company"), a leading global provider of medical device solutions for musculoskeletal health, vascular health and pain management, announced today that its subsidiary Encore Medical, L.P., dba DJO Surgical, has closed on the previously announced acquisition of assets from Zimmer Biomet Holdings, Inc., including the Biomet Cobalt™ Bone Cement, Optivac® Cement Mixing Accessories, SoftPac™ Pouch and Discovery® Elbow System for the U.S. marketplace. These new product acquisitions expand DJO Global's product portfolio significantly as the Company continues to add new and novel technologies and fresh talent to fuel an already fast growing business.

Financial terms of the deal were not disclosed.

About DJO Global

DJO Global is a leading global developer, manufacturer and distributor of high-quality medical devices that provide solutions for musculoskeletal health, vascular health and pain management. The Company's products address the continuum of patient care from injury prevention to rehabilitation after surgery, injury or from degenerative disease, enabling people to regain or maintain their natural motion. Its products are used by orthopedic specialists, spine surgeons, primary care physicians, pain management specialists, physical therapists, podiatrists, chiropractors, athletic trainers and other healthcare professionals. In addition, many of the Company's medical devices and related accessories are used by athletes and patients for injury prevention and at-home physical therapy treatment. The Company's product lines include rigid and soft orthopedic bracing, hot and cold therapy, bone growth stimulators, vascular therapy systems and compression garments, therapeutic shoes and inserts, electrical stimulators used for pain management and physical therapy products. The Company's surgical division offers a comprehensive suite of reconstructive joint products for the hip, knee and shoulder. DJO Global's products are marketed under a portfolio of brands including Aircast®, Chattanooga, CMF™, Compex®, DonJoy®, Empi®, ProCare®, DJO® Surgical, Dr. Comfort® and Exos™. For additional information on the Company, please visit www.DJOglobal.com.
