ABOUT ENOVIS™

Enovis™ (NYSE: ENOV) is a medical technology company focused on developing clinically differentiated solutions that generate measurably better patient outcomes and transform workflows.

Powered by a culture of continuous improvement, extraordinary talent and innovation, we ‘create better together’ by partnering with healthcare professionals. Our extensive range of products, services and integrated technologies fuel active lifestyles.

EGX is our unique business system that guides the way we operate. It provides the tools, techniques, and values that ensure we are continuously improving our ability to meet or exceed customer requirements each and every day.
